RECORD OF DISCUSSION

1 WELCOME AND AGENDA

Item	Discussion	Action	Due
1.1	<ul style="list-style-type: none"> • KD welcomed all present to the meeting. Apologies noted 		

2 ACCEPTANCE OF NOTES FROM PREVIOUS MEETINGS

Item	Discussion	Action	Due
2.1	Notes from the meeting held on 2 nd May 2019 were accepted with a note to be added regarding a request from DP for a report from Southern habitat (contractors who spray our weeds), on what areas were sprayed and what was sprayed.		

3 OPERATIONS UPDATES

Item	Discussion	Action	Due
3.1	<ul style="list-style-type: none"> • LC addresses the members PC has moved within SUEZ and has announced Steve Marcon as the new NSW Landfills & Renewables Manager • DP address Lake Macquarie issue with FOGO and is concerned this is the path SUEZ will take with the new proposal and recommends not to take restaurant quantities of food waste only residential. • LC responds there may have been misunderstanding at the last meeting and GO area is for Garden Organics. The EPA has also announced there is no 		

more MWOO to be distributed, therefore the ARRT that has been approved will now be placed on hold until further notice.

- 3.2
- LC reports business as usual
 - LC report waste filling in area E has moved to area B
- 3.3
- LC reports North wall excavation continues, this is trimming the wall to install the new liner. Stage 1 of the excavation will be completed by 2019 with 100,000 cubic meters excavated.
 - LC reports additional litter fence installed due to the move of area B.
 - LC reports that SUEZ is targeting to finish waste filling in ANSTO buffer area by 2025.

4 ORGANICS

Item	Discussion	Action	Due
4.1	<ul style="list-style-type: none"> • AP reports incoming tonnes good. • AP reports sales good. • AP reports planning continue for new facility- waste less recycle more grant was approved. • AP reports oversize processing has been completed. • AP reports fire and evacuation perimeter install around the greenwaste facility. This means moving the stockpiles to allow fire trucks and watercarts to drive around and in between the piles. • Sorting line completed 		

5 ENVIRONMENTAL UPDATE

Item	Discussion	Action	Due
5.1	<ul style="list-style-type: none"> • AP presented the Environmental Update included as appendix 1. 		
5.2	<ul style="list-style-type: none"> • JR asked if any complaints are legitimate • AP responds that all complaints are taken seriously. • JR asks if complaints come through do, we improve works onsite • AP responds with every complaint that is received we first look at what works are happening onsite. • LC explained that all complaints were investigated and reviewed. • JR & DP both request to see the review report. • LC will have to seek approval 		
5.3	<ul style="list-style-type: none"> • AP reports New and Old Illawarra Rd is now included in the odour monitoring. • AP reports that the reporting links for landfill and organics that are included in the appendixes are very comprehensive and there for everyone to view. 		

6 GENERAL DISCUSSION

Item	Discussion	Action	Due
6.1	<ul style="list-style-type: none"> JR asked a question about Lead that was seen on the news coming from homes around the areas that the landfill services to and asked if this would affect the local homes. DP says he doesn't think it would be an issue. LC replies that Lead is one of the parameters included in the leachate monitoring report, there has been no high levels LC reports SEE documents have been finalised and submitted to ANSTO and SSC for their final approval and owner's consent letter (ANSTO). Planning to be lodged with DPIE by end Oct or early Nov 19 JR asked about fellow members Jane & Dawn and would like to give them both best wishes and hope both are well. JR asked if there are thoughts on advertising to boost CRG members KD replies this would have to be discussed with LC and SM 		

7 ACTIONS
