SUEZ PROUD SPONSOR OF THE INSIDE WASTE, WASTE AND RESOURCE RECOVERY EXCELLENCE AWARDS

SUEZ believes embracing the challenges of tomorrow requires innovative and sustainable solutions that optimise management of our resources.

SUEZ was a proud sponsor of the *Inside Waste, Waste and Resource Recovery Excellence Awards* which were held in Sydney on Thursday 22 November 2018.

The Awards, jointly convened by Inside Waste and the Waste Management Association of Australia, champion leaders in the sector by celebrating their efforts and promoting innovative projects across Australia.

SUEZ's Executive Director for Development, Performance and Innovation, Emmanuel Vivant, presented the awards for Outstanding Local Government in the Metro and Regional categories.

SUEZ was also recognised as a finalist for its operational excellence in developing an innovative, new system of Plate Recognition Technology and Advanced Driver Control Station to improve efficiency in processing services at the Lucas Heights Resource Recovery Park.

SUEZ congratulates all nominees and winners at the Inside Waste, Waste and Resource Recovery Excellence Awards for their achievements and contributions to the sector.
