
waste charges and services

effective 1 July 2019

(prices subject to change)

welcome to our resource recovery centres

At SUEZ, we make it easy for our customers to put their waste to good use. We find smart and reliable solutions to collect, recover and recycle waste into valuable resources.

Our centres provide recycling, resource recovery, solid waste processing and disposal services to council, commercial and industrial customers, as well as small businesses and households.

For more information please visit suez.com.au

Safety

Safety instructions are for the protection of everybody and must be followed at all times. Whilst on site we ask that you:

Adhere to
speed limits

Footwear must
be worn

No smoking
at any time

Keep children and
pets inside vehicles

Place your waste
in marked areas

Take care
unloading

- Truck drivers must ensure that their vehicles are on level ground before tipping
- In case of rollover, it is recommend that truck drivers have their seatbelts on during the tipping process
- Before leaving the tipping area, the rear doors of vehicles must be closed and hoists lowered
- No tip-over axle trailers are permitted on landfill sites

Assistance for elderly and physically disabled

- Assistance for elderly or physically disabled customers who need help in unloading their vehicles can be provided if organized prior to arrival

Before your visit, please call Customer Service on **1300 651 116** to arrange for assistance.

Hand or manual unloading of waste (fenced side of pit)

Deep pits/bins may present a fall hazard. Please read these instructions carefully before using the facility.

Follow instructions from staff

Park 1 metre from fence and unload

DO NOT climb or stand on vehicles

DO NOT climb or stand on fence

Stay within 1 metre of your vehicle

Look out for other vehicles

Our pricing policy

- Please declare all wastes and recyclable materials upon arrival at the weighbridge
- All vehicles are weighed in and out to calculate the net weight disposed. Weight is rounded to the nearest 20kg
Prices are set according to the waste type. Most wastes are charged by weight. However, certain items are charged by quantity. Please refer to the pricing table and acceptance criteria for further information
- A minimum charge applies to all chargeable waste loads
- When the minimum charge has been exceeded, a two-tiered tonnage rate applies for chargeable waste. Tonnage rates for the same waste type vary according to load weight
- Higher charges apply to bulky, special and difficult to handle wastes
- The Goods and Services Tax (GST), and if applicable the Section 88 Waste Levy are included in waste charges
- Non-account customers will be required to leave a deposit or pre-authorisation at the weighbridge, based on an estimate tare weight of their vehicle, before disposing waste
- SUEZ reserves the right to alter prices at any time

Payment arrangements

EFTPOS and credit cards (Visa and Mastercard only) are accepted. Cheques are not accepted.

Customers with minimum transactions of \$500 per month may be eligible to open an account. For further information, Please call 1300 651 116 .

acceptance criteria

Free materials

Cans

Aluminium and steel cans accepted.

E-waste

E-waste (limited to televisions, computers and computer peripherals) are accepted from residents and small businesses at Auburn, Belrose, Eastern Creek, Lucas Heights, Rockdale, Ryde, Seven Hills, Spring Farm and Wetherill Park*. A limit of 15 items per transaction applies.

Paper and cardboard

Clean newspapers, writing papers, books (hard and soft cover) and cardboard boxes accepted.

Sump oil

Accepted in household quantities.

Vehicle batteries

Accepted at all centres.

You can minimise your waste disposal costs by separating those materials that can be disposed free of charge from chargeable wastes.

Please note acceptance conditions apply at some centres.

Chargeable materials

Asbestos

Asbestos is accepted at Elizabeth Drive and Lucas Heights. Small quantities of asbestos that can be hand unloaded is also accepted at Wetherill Park* 8am - 4pm Monday to Friday. Minimum charges apply. Please contact our Customer Service Centre on 1300 651 116 for acceptance criteria and further information.

Dry material

Mixed quantities of general waste including household junk, furniture, mixed paper, plastic, glass, metal, timber, office partitioning and other dry material. Loads must not contain asbestos, food, plant matter or liquids. Loads containing garden organics and/or food waste will be charged as putrescible material.

Excluded wastes

Any material that does not meet our conditions of acceptance will be excluded. This includes radioactive, clinical and quarantine wastes and goods labelled as dangerous. This information can be taken as an indication of acceptance criteria. However, acceptance conditions may vary due to changes in licence and operating conditions. Please contact Customer Service on 1300 651 116 for the latest information.

Expanded plastics

Expanded plastics such as styrofoam and polystyrene are accepted at all sites. A minimum charge of \$95.00 applies.

Fire extinguishers and gas cylinders

LPG and fire extinguishers up to 9kg each are accepted, at a charge of \$2.70 per 1kg of total container capacity. A limit of 2 cylinders per day applies. LPG car cylinders are not accepted.

Glass bottles and jars

Glass bottles and jars are accepted and charged as dry waste.

Garden organics

Small tree branches, grass clippings, prunings and weeds are accepted for mulching and composting if pre-sorted from mixed waste and excessive amounts of soil. Tree branches must be less than 1 metre in length and 15 centimetres in diameter.

Loads containing materials such as untreated timber, palm trees, bamboo, bricks, metal or general rubbish will be charged as putrescible material.

Tree trunks and large branches

Stumps and branches under 15 centimetres in diameter and 3 meters in length are accepted at Eastern Creek and Lucas Heights.

Material exceeding these dimensions is accepted for disposal as mixed waste.

Mattresses

Mattresses are charged at \$70.00 each. An ensemble is charged as two mattresses. Limit of one ensemble or two individual mattresses per visit. Please call Customer Service on 1300 651 116 for disposal of larger quantities.

Paint (household quantities)

Charges apply to container size, not the amount of paint in the container. Paint is charged at \$5.00 per litre of container capacity. A minimum charge of \$8.20 applies.

Water or oil based paint only. No thinners, solvents or paint related products. Water based paints and oil based paints must be kept separate. Phone 1300 651 116 for more information. Label all paint containers. Other wastes are not accepted in the paint disposal area.

Security waste (eg expired food stock) and special waste (eg asbestos sheeting, SMF, dusty waste and bulky loads)

For acceptance criteria and further information please phone our Customer Service Centre on 1300 651 116.

Separated bricks, concrete (unreinforced only), roof tiles and terracotta pipes

Sorted loads accepted at Lucas Heights. Maximum size 70 centimetres in any one direction.

Wet material (eg mixed waste containing food)

Mixed quantities of general waste that may include food and garden organics.

Whole car tyres

Up to 5 whole car tyres without the metal rims are accepted per visit, and charged at \$36.00 each. Tyres are not accepted at Eastern Creek or Wetherill Park*.

The NSW EPA provides free drop off centres for old or left over paints and household chemicals.

For further information contact the Environment Line on 131 555.

*** Wetherill Park is closed for renovations and will re-open late 2019, for further information please contact our customer service team on 1300 651 116**
